

**HEDINGHAM SCHOOL  
AND SIXTH FORM**

ACHIEVEMENT & EXCELLENCE

**GOVERNING BODY COMMITTEE STRUCTURE  
AND TERMS OF REFERENCE**

## **GOVERNING BODY COMMITTEE STRUCTURE AND TERMS OF REFERENCE**

---

The Governing Body will endeavour, within its budget, to use the national pay scales and the discretions available to them as the 'relevant body' to "recruit, retain and motivate" teachers of quality to ensure the best possible delivery of the curriculum. Simultaneously, equal consideration will be given to the non-teaching staff, whose contribution to the Academy Trust is as important as that of the teaching staff. The Governors should be ever mindful of the need to create and maintain high morale among the staff, in order to achieve the best response from the pupils.

### **Introduction**

Some key decisions cannot be delegated and must be taken by the full governing body.

However, in these cases the governing body may still ask a person or an informal group to consider decisions and make recommendations to them as long as it is the full governing body that takes the decision.

Governing bodies should therefore take care to distinguish between committees which have delegated powers and working parties or informal groups, which do not.

Amongst the duties of the governing body which cannot be delegated are:

- Decisions about delegation to or the setting up, membership, proceedings and review of committees, including selection panels;
- Regulating the proceedings of committees. The establishment, terms of reference, constitution and membership of all committees should be reviewed at least once a year.
- Making arrangements for staff dismissal procedures and appeals

### **Delegated powers**

The full governing body may delegate some of its functions and powers to the head, to an individual governor or to specific committees but responsibility always remains with the full governing body.

Where a committee is set up with delegated powers, the governing body shall decide the membership of that committee, the procedures for appointing its chair, what powers it will have, whether it may include non-governor members and, if so, whether they may vote.

At least two-thirds of the full governing body entitled to vote must be present when these decisions are taken.

A governor is not entitled to vote on his/her own appointment as a member of a committee.

The Headteacher has the right to attend all committee meetings, except where specifically excluded from so doing by legislation and school governance regulations.

The governing body remains responsible for any decisions taken by committees or other people to whom they have delegated decision-making powers. All these decisions must be reported back to the full governing body at their next full meeting.

The governing body may abolish any non-statutory committee whenever they wish.

## **Procedures**

Committee meetings must be conducted according to rules similar to those applicable to full governing body meetings. Committee members are entitled to seven days' written notice of a meeting and its agenda. Minutes of all committee meetings must be kept, including the names of those present.

## **Withdrawal from meetings**

Anyone who has a financial or other interest in a matter under discussion must withdraw from the meeting.

Where a fair hearing must be given and there is reasonable doubt about a person's ability to act impartially, he or she must withdraw and not vote, even though they might usually be entitled to attend such committee meetings.

For example, where disciplinary action against a pupil, teacher or other member of staff is being discussed, no-one who was involved in the events leading up to the discussion or who could be biased, should be allowed to take part in that discussion. However, such a person may be called to give evidence.

If there is a disagreement about whether a person is required to withdraw, it is for the other members of the governing body **or** committee to make the decision. (This provision does not allow the withdrawal requirements to be waived by the governors or other committee members.)

## **Staff Appointments**

Hedingham School & Sixth Form Academy Trust is the employer of the staff in community schools, but the Governing Body and Headteacher have separate and particular responsibilities for selecting and managing staff. At any time when an Academy Trust has a delegated budget the Governing Body has extensive powers over staffing. It also has responsibilities under employment law.

The main staffing functions of the Governing Body of an Academy Trust are set out in the Recruitment Policy, including provision for the appointment of a Headteacher and deputies, other teachers and non-teaching staff.

Not all Governors have to be involved in interviewing and selecting staff. The Governing Body has delegated responsibility for most appointments to the Headteacher, to one or more Governors or to certain Governors and the Headteacher acting together. However, when appointing a Headteacher or Deputy Headteacher, a selection panel must be set up. At least one member of all interview panels must have completed safer recruitment training.

The Governing Body, as advised by the Headteacher, decides the number of staff (both teaching and non-teaching). When a member of staff leaves, the governing body will ultimately determine whether or not to replace them.

### **Headteacher's Delegated Powers**

- (a) The Headteacher is delegated to make appointments to Associate Staff and Teaching Staff. Governors will be represented on the Appointments Panel for all more senior posts. [Governors will be included for others as appropriate.]
- (b) Temporary recruitment and retention points are used at the Headteacher's discretion in the event that teaching posts are difficult to fill or where the retention of a teacher is important in the development of the school. Permanent points are subject to ratification by the Pay Committee.
- (c) In order to monitor that adequate provision of Staff Training is being maintained, Assistant Headteacher with responsibility for Staff Development shall be a co-opted member of the committee. S/he will make regular reports on activities. The quality of training and performance management will be reviewed.
- (d) The Governors will monitor that regular dialogue with staff organisations is maintained.

### **Safer Recruitment**

All appointments are made on behalf of the Governing Body and follow the Safer Recruitment requirements for checks and references.

## **STAFFING AND DISCIPLINARY COMMITTEE AND APPEALS COMMITTEE**

### **Membership:**

*It was agreed at the December 2013 Full Governing Body Meeting that this committee would have a lead Governor identified who would agree with the Head who would be called to attend.*

### **Lead Governor: Chair of Governors**

The Governing Body must delegate decisions on dismissing staff to a committee which contains three governors or more. The Chair of the Full Governing Body or a Staff Governor shall not be a member of the Staffing and Disciplinary Committee.

Appeals against decisions made by that committee must be considered by a separate committee made up of at least three different members of the full governing body, which may therefore include the Chair of the Full Governing Body, but not a Staff Governor.

The appeals committee cannot have fewer governors than the first committee. Two Governors is the quorum for both committees, which will nominate a Chair for each occasion.

Non-governors may be members of these committees but cannot be given voting rights.

The Headteacher cannot sit as a member of either committee because he/she is likely to have been involved earlier in the grievance or disciplinary processes.

### **Meetings**

1. The Staff Disciplinary committee and Appeals committee will meet only when required.
2. Minutes will be kept of all meetings. Copies of minutes will be kept in an appropriate file. All minutes must be retained within a minute book.

## **Remit**

Decisions relating to staff dismissal and appeals must be delegated to a statutory staffing and disciplinary committee and an appeals committee. The procedures of these committees are set out in detail in booklets entitled **Staff Disciplinary Procedure**, copies of which are available to all staff members. These committees shall also deal with matters raised by staff under the **Grievance Procedure**, for which there is a separate booklet.

## **PAY AND REMUNERATION COMMITTEE**

### **Membership:**

*It was agreed at the December 2013 Full Governing Body Meeting that this committee would have a lead Governor identified who would agree with the Head who would be called to attend.*

### **Remit**

The Pay Committee shall consider all decisions on pay review as determined by the Pay Policy which follows LA Model Pay Policy for Academies and Guidelines. Decisions will be taken having reference to budgetary considerations.

### **Performance Management and Review**

The School Government (Terms of Reference) Regulations 2000, require Governing Bodies to have a Performance Management Policy setting out how teacher appraisal is to be implemented in the school. The Governors must review this policy each year and amend as they see fit. If so directed by the Governors, the Headteacher must consult the teaching staff about any amendments.

In addition, the School Teacher Appraisal Regulations 2000 require Governing Bodies to “secure that the performance of all teachers at the school is reviewed annually”. The Headteacher must oversee the implementation and procedures, but the only direct role that the governing body has in the process is in the appraisal of the Headteacher. Teaching staff performance reviews take place annually in the Autumn Term and associate staff annually in the Spring Term.

The Chair of Governors should review any complaints from teachers where the Headteacher has been their appraiser but otherwise the performance management of staff is for the Headteacher to organise, implement and monitor.

## **HEADTEACHER'S PAY COMMITTEE**

### **Remit**

1. The governors must decide the exact timing of the review cycle for the Headteacher and ensure that the Headteacher's objectives are agreed and recorded by 31 December each year.
2. A specific duty that governing bodies have in relation to performance management is to review the head's performance. This is done with the support of a trained Independent Adviser.
3. The Independent Adviser will support the setting of targets and the extent to which the Headteacher has to meet them. The Adviser attends all meetings at which the head's objectives and overall assessment of performance are discussed.
4. Before the meeting, the Adviser considers contextual material provided by the governors to establish what information is available and what else might be needed.
5. The governors who review a Headteacher's performance will meet with the Headteacher and Adviser at the end of the review cycle to review the Headteacher's performance, identify achievements and to discuss professional development needs.

6. The Committee must then write a review statement within ten days of the review, allowing a further ten days for the Headteacher to add any comments.
7. If the Headteacher has a complaint about the performance review, it is normally the chair who will act as the “review officer” to investigate the complaint. But where the chair has been involved in the review, the Governing Body should also appoint one or more governors as review officers.

## **GOVERNOR APPOINTMENTS, MENTORING AND TRAINING**

The Link Training Governor will circulate information and consult with members on possible training needs and activities and report back to Personnel at their next meeting. Governors will have access to training courses provided by Governors Training Unit according to need. It is expected that all governors will serve on at least one committee.

All new Governors are entitled to an induction to the role, according to their need, which may include, introductory sessions, mentoring and formal courses. Governors are encouraged to take a specific area of curriculum interest by being the Link Governor to a particular Learning Area or subject.
