## Introduction

Certificates are provided by awarding bodies after examination results have been confirmed. Certificates always remain the property of the awarding bodies.

### Purpose of the procedure/policy

### Arrangements for the issue of certificates

Exam certificates are available in school for collection, normally from the end of November, once all certificates have been sent in from the exam boards.

Students are expected to collect their exam certificates in person so that they can check all of the information shown on their certificates is correct and accurate (name, dob, final grade etc). If all of this is in order then the student will sign and date a form which confirms that their certificates are correct and that they have received them.

Candidates are informed of the arrangements for the issue of certificates as follows:

- Students are informed of this before they leave the centre via email and notices are placed on the school website and social media once certificates are available

### Where unable to claim/collect certificates under the normal arrangements

Students may allow a third party to collect their certificates on their behalf, providing the person collecting the certificates brings a letter of authorisation from the candidate and their own proof of identity.

### Record of issued certificates

A record of issued certificates is kept in the Exams Office. These records show the name, student signature and the date they collected their certificates confirming they had checked all of the details on their certificates was correct and they had taken receipt of them.
