PRESS RELEASE

A Level Results Day Statement 2026

I would like to extend my warmest congratulations to all our Year 13 students who have received their A Level and post-16 examination results today.

As a school, it has been a privilege to support our students throughout their educational journey and to witness the commitment, resilience and determination they have shown in working towards their goals. Their results reflect not only their academic achievements but also the perseverance and character they have demonstrated during their time at Hedingham School.

I am incredibly proud of all that our students have accomplished. Alongside their studies, they have made valuable contributions to the wider school, developed important life skills and grown into confident young adults ready to take their next steps.

Many of our students will now progress to university, apprenticeships, employment and further training opportunities, and I have every confidence that they will continue to thrive and achieve success in their chosen pathways. The experiences, knowledge and values they have gained during their time at Hedingham School will serve them well in the future.

Today is an opportunity to celebrate their achievements and recognise the hard work that has brought them to this point. I would like to thank our staff, parents and guardians for their support throughout the students' journeys.

On behalf of everyone at Hedingham School, I wish our students every success and happiness in the future.
