VISION

This vision is driven through our to ensure that the curriculum delivers the following principles:

- To provide the knowledge and skills required to be successful learners
- To create resilient and independent learners who are able to meet the challenges of the 21ST century
- To prepare learners for the next step in their education
- To broaden their horizons through a rich and varied enrichment programme
- To encourage learners to be active citizens who contribute positively to the community

SCHOOL MAP

Hello,

Welcome to Hedingham School. We are looking forward to you coming here in September. Hedingham School is bigger than your current school. However, there are signs up everywhere, adults and other students who are happy to help you find your way around.

If you have any worries about coming to your new school, discuss them with someone at home or at school.

We have included some pictures of different parts of our school. This will help you recognise places when you arrive.

*This is the Student Reception.
If you have any worries, you
can come here during the day
to check what to do next.*

We have a two week timetable, Week A and Week B. You have 30 minutes of Personal Development (PD) at the start of each day. This is a chance to talk to your form tutor and work together through the PD curriculum.

You will then have 2 lessons, followed by a 20 minute break between lesson two and three. You have a 45 minute lunch break between lesson 4 and 5.

This is one of our many Science labs. You will be lucky enough to perform experiments and use bunsen burners!

This is the cooking room where you will learn to make many different meals and lots of nice food to bring home.

This is one of our classrooms in Learning Support. You can come here every break and lunch if you want to. We have the **Hub Club** on every day. You can play board games, eat your lunch and talk to friends.

This is one of the classrooms where you will learn all about computers. You can also use them at lunch in a room called the Learning Centre, where you will also be able to borrow a book to read in the Library section.

This is the English and Maths corridors. Each area has a clear sign. Each classroom door is numbered. If you are a few minutes late for your lesson in your first couple of weeks, you will not be in trouble. You will soon find your way around the building. Don't forget there are plenty of adults and other students who will be able to help you around!

This is the canteen where you will be able to purchase food at both break and lunchtime. You will be able to buy lots of nice food and will need to type a code in at the till. You will be greeted by one of our lovely canteen staff who can help with any worries about your lunch money. You can bring sandwiches into school as well or your parent/carers can put some money onto your online account with 'iPay'.

This is our locker room. You can have your own locker. You can leave some things in there, for example your PE kit and food ingredients. This way, you will have less to carry around.

What is your concern?

We look forward to seeing you in September!

Frequently Asked Questions

Where are the toilets?

There are lots of toilets all over the school. We will show you where they are. Try to use them between lessons.

Who do I see if I feel ill?

We have a medical room you can visit in the school day. They will take care of you there. Mrs Harlow is our medical officer

What happens if I have no money for lunch?

You can speak to either the canteen staff, reception or the student support centre. You can check your balance every day using a code number given to you. If it is getting low, tell someone at home.

If I can't come to school, what's the rule?

We need to attend as much as possible. Certificates are awarded to those with the highest attendance. However, if we are ill, someone from home should phone the school.
