

**Hedingham School & Sixth Form**  
**YEAR 11 PARENT INFORMATION SHEET**  
**English, Maths and Science**

Dear Year 11 Parent/Guardian

Your input and support will form an invaluable part of your child's success in the examinations in the Summer.

This document provides information for each of the core subjects studied by the current Year 11 students that we hope you find useful. When you are looking to support your child as best you can through this time, we know all too well that it can be 'information overload', and resources such as scientific calculators and revision books can be so similar that it's tough to know which is the 'right one'. This is the aim of this document, to provide you with key information regarding Exam Boards, mock exams, structures, and where to locate useful revision materials. In the near future, we will circulate this information for all subjects for your reference.

The information enclosed in this document will also help you have constructive revision conversations with your children and assist you in empowering them to take responsibility for their own revision. This ownership and accountability taken on by students is a vital ingredient in success.

We hope that you find the evening informative, and I would like to thank you once more for your support of your child, and of the school, as we all pull together to achieve the best possible outcomes for each student in order to enable them to open their results envelope next August and have a huge smile on their faces.

Mr C Abrey, Deputy Headteacher

SUBJECT	KEY DATES	ONLINE REVISION RESOURCES	IN-SCHOOL REVISION SESSIONS	EQUIPMENT	ADDITIONAL INFORMATION
<b>ENGLISH</b>	Students have already sat their Spoken language element of the course. AQA, English Language Paper 1: <i>Thursday 21 May</i> AQA, English Language Paper 2: <i>Friday, 5 June</i> AQA, English Literature Paper 1: <i>Monday 11 May</i> AQA, English Literature Paper 2: <i>Tuesday 19 May</i>	Students should use Sparx reader for close reading and revision of the set texts for Literature. Students have been added to the English Department Teams folder where there is a plethora of revision resources such as past papers and marksheets that can be accessed for all Literature and Language exams. There is also Seneca that the students can use, and they must select AQA Exam Board. CGP Revision guides can also be purchased.	<b>On a Monday evenings from 3.15-4.00pm</b> , each class teacher is teaching a revision session for their own classes. During lunch times, some students will be invited to small group or a one-to-one session with their class teacher if they cannot attend the Monday after school revision.	<i>Specialised Equipment:</i> Students need to have copies of all set texts as well as the study guides to accompany them.	
<b>MATHS</b>	Summer Exams: <i>Thursday 14 May 2026</i> <i>Wednesday 3 June 2026</i> <i>Wednesday 10 June 2026</i> There is no coursework or controlled assessment for Maths.	<a href="http://www.mathsgenie.co.uk">www.mathsgenie.co.uk</a> selection of videos, topic questions and past exam papers. <a href="http://www.corbettmaths.com">www.corbettmaths.com</a> further videos and exam questions.	<b>Wednesday after school 3.15-4.00pm</b> , Room 5 - Targeted revision (invite only). Room 11 - Higher drop-in. Room 13 - Foundation drop-in.	Scientific calculator, protractor, compasses.	Recommendation is frequent Maths practice. Should be completing regularly.

SUBJECT	KEY DATES	ONLINE REVISION RESOURCES	IN-SCHOOL REVISION SESSIONS	EQUIPMENT	ADDITIONAL INFORMATION
<b>SCIENCE</b>	Biology 1: <i>Tuesday 12 May (afternoon)</i> Chemistry 1: <i>Monday 18 May (morning)</i> Physics 1: <i>Tuesday 2 June (morning)</i> Biology 2: <i>Monday 8 June (morning)</i> Chemistry 2: <i>Friday 12 June (morning)</i> Physics 2: <i>Monday 15 June (morning)</i>	Students should be using Seneca for revision or BBC Bitesize (making sure they select Edexcel as the Exam Board). Students have been added to a Teams page, and the Teams page will provide additional resources such as other online revision links, topic lists, knowledge booklets and past exam papers.	<b>Thursdays after school 3.15-4.00pm.</b> These are taught sessions on different topics each week so students can choose which sessions they feel they need to attend. Information on each session (topic and room) will be displayed outside Room 30. <b>Mondays after school 3.15-4.00pm</b> in Room 30 - this is a drop-in session for students to ask for help on specific topics, get help with homework, complete past exam papers.	<i>Specialised Equipment:</i> Students must have a scientific calculator which they should bring to every lesson and every exam.	The full specification and access to past papers can be found on the Edexcel website.
