Dear Parent/Guardian

University Trip

As part of our careers programme here at Hedingham School, we offer students opportunities throughout their school life to gain an insight into Higher Education. With this in mind, we have organised a visit to Suffolk University for the UCAS Higher Education Exhibition, where over 120 Universities and higher education providers will be attending to speak to students about courses they might be interested in. Your son/daughter can also collect prospectuses to look at later at their leisure.

UCAS Higher Education Exhibition – Tuesday 11 June 2024

We plan to leave school at 10:00 and returning by 15:15. Students must bring packed lunch and drinks for the day.

The total cost of the trip is £15.00 per student, this covers transport to and from the University of Suffolk. If you have any difficulties in paying for this trip, please contact me for a confidential discussion as we may be able to offer support in some circumstances. Please note, if we do not receive sufficient contributions, we may have to make the difficult decision to cancel the trip.

It is important that students do some research into courses and universities that they may be interested in before we go so that they can make the most of the day. There are also a series of short lectures on different courses and general issues such as funding and Oxbridge applications.

To participate in the trip, please complete the following electronic form by Tuesday 14 May and make payment by Friday 31 May.

If you or your son/daughter have any further queries please email or see me in the first instance.
