

Hedingham School and Sixth Form

Sixth Form Enrolment

**Monday 4 September 2023
1.15 - 3.15pm**

If you have not applied to our Sixth Form, but would like to enrol, then please feel free to attend.

The afternoon of Monday 4 September has been set aside entirely for Sixth Form enrolment. This means that staff can devote full attention to ensuring that students in Year 12 are enrolled on appropriate programmes.

Students will be enrolled onto their programmes by a member of the Sixth Form team from 1.15 – 3.15pm in the Sports Hall. They must complete an enrolment form and once the student has subject leader authorisation, they must see a member of the senior Sixth Form team for a discussion about their programme.

Timetables will be available for students on Wednesday 6 September.

External applicants should remember to bring a copy of their GCSE exam results to enrolment day.

Following this enrolment, you will have your photo taken by the IT Technicians for your Sixth Form ID card.

Lessons begin on Wednesday 6 September. All students should arrive in school by 8.40am to attend a Sixth Form briefing, after which, they will then collect their timetables from the Sixth Form area and meet their personal tutor.
