

HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

January 2026

Official Sensitive

Dear Parent/Guardian

House Badges

We are pleased to let you know that House Badges are returning to Hedingham School.

Our House System plays an important role in school life. It helps to build a strong sense of belonging, encourages healthy competition, and celebrates students' achievements across academic, sporting, creative and personal development areas. Wearing a House Badge is a simple but visible way for students to show that they are part of a wider community, that they take pride in their House, and that they are committed to contributing positively to its success.

All students will be issued with their first House Badge free of charge. These badges will be distributed to students during House Assemblies this week, where the importance of the House System and the values it represents will be reinforced.

We would like all students to wear their House Badge as part of their school uniform. It is a small symbol, but one that represents teamwork, effort, resilience and pride in being part of Hedingham School.

In the event that a badge is lost or misplaced, a replacement badge can be purchased via iPay for £1.50. This helps us to cover the cost of replacements while ensuring that all students are able to continue wearing their badge.

Thank you for your continued support in helping us foster a strong sense of identity, belonging and pride within our school community. We look forward to seeing students wearing their House Badges with confidence and enthusiasm.

Yours sincerely

Mr R Daniels
