Dear Parent/Guardian

In-School Provision – Activities Week

I am writing to provide an update regarding our “in-school” provision during activities week. We have organised a variety of different activities which offer opportunities beyond our typical curriculum. Examples of planned activities include:

- Business challenges
- Forest School
- Alternative Sports event
- Duke of Edinburgh challenge
- Geography field trips
- Baking classes
- Escape Room/Puzzle Rooms
- Magazine design
- Small animal care

We have timetabled all students that we expect to be in school on Wednesday and Thursday, 8 and 9 July into activities so students will experience a variety of different events.

We shall inform them of their activities in the near future so that they are aware of any particular equipment they need. All students will need their PE kit for both days.

The hope is that the planned activities will prove both enjoyable experiences as well as developing important skills such as confidence, independence, creativity and teamwork.

If you have any concerns or questions, please let us know.

Yours sincerely

Mr P Finch
