

HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

Official

14 July 2025

Dear Parent/Guardian

Maths Equipment - Calculator

As part of the equipment list, students are required to have their own scientific calculator. This is not only for Maths lessons but will also be needed in other lessons across the school. The model we recommend is Casio FX 83GTCW Scientific Calculator. This model is available in 4 different colours (black, grey, pink and blue) and is currently available on Amazon for around £12.00-£14.00.

If you have already purchased or been gifted another model, there is no need to buy the recommended one specifically.

As a reminder, students should also be equipped with a black pen, green pen, pencil and ruler as a minimum. Additionally, a protractor, pair of compasses and eraser are also helpful items to have in their pencil case.

Please ensure that your child's equipment, particularly their calculator, is clearly labelled before they bring it to school.

Yours sincerely

Mrs Woodley
Leader of Maths
