Dear Parent/Guardian

Year 11 Parents' Evening – Thursday 16 October 2025

In the next few weeks, you will receive the first of your child's Year 11 Progress Reports. This report will contain information about their academic progress against targets and about their recent attitudinal data (Classwork, Behaviour and Homework). In addition to this, we are also holding our face-to-face Year 11 Parents' Evening on Thursday 16 October between 16:00 and 19:00. To book appointments for this evening, please use our parents' evening booking system (details shown below). Each booked appointment will last 5 minutes with a 1-minute gap between appointments to allow you to travel to your next appointment. A map of the different subject areas will be available on the evening to help you navigate your way around.

Parents' Evenings are a great opportunity to have a live dialogue about student progress and to ascertain the best course of action for your child as they move forwards towards their examination period in the coming months. This is a particularly critical Parents' Evening, in an important year. Students will shortly be sitting a series of mock examinations, and Parents' Evening will provide you with an opportunity to ask about revision tools and resources that students may wish to utilise as they prepare for these assessments and for subject teachers to give some top tips and hints about how you can best support your child during this time.

We have calendared a second Year 11 Parents' Evening as a follow-up on the 22 January 2026. We also have our second Parents' Information Evening which will take place early next year. Both are important evenings to attend on the calendar.
