ACHIEVEMENT & EXCELLENCE

5 December 2019

Dear Parent/Guardian

Year 11 School Revision Sessions – English Language

The English Department has structured extra-curricular opportunities for students to build on their knowledge and skills developed in lesson time. Considering the fact that your son/daughter will be sitting their English Language GCSE at the end of this academic year, we have promoted to our students the importance of regularly practicing examination questions.

As such, we offer extra-curricular revision sessions in English Language, for all students, after school on Mondays. English specialists will look to provide guidance and support in the shape of focusing on the specific demands of each question and the best way to secure marks. The sessions will last for an hour in duration.

The opportunities available include:

Mrs Webb Room 2 Language Paper 1

Miss Barker Room 3 Language Paper 2

Over time, regular attendance at these revision sessions will undoubtedly help to build confidence and understanding. Please encourage your son/daughter to regularly attend.

Yours sincerely

Ms A Barker
Leader of English
