ACHIEVEMENT & EXCELLENCE

Dear Parent/Guardian

Year 11 School Revision Sessions – English Literature

The English Department has structured opportunities for students to build on the knowledge and skills students developed in English Literature last year. Considering the fact that your son/daughter will be sitting both their English Language and English Literature GCSE this academic year, we have promoted to our students the importance of capitalising on opportunities to reflect, recap and revisit English Literature content, in readiness for summer examination.

As such, we offer extra-curricular revision sessions in English Literature for all students after school on Mondays. The sessions will be an hour in duration.

The opportunities available include:

Mrs Simpson	Room 13	Macbeth
Miss Butler	Room 27	The Sign of Four
Miss James	Room 1	An Inspector Calls
Mrs Paulyn	Room 19	Poetry Anthology

Over time, regular attendance at these revision sessions will undoubtedly help to build confidence and cement their understanding of key texts. Please encourage your son/daughter to regularly attend.

Yours sincerely
