

OFFICIAL SENSITIVE

HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

17 October 2019

Dear Parent/Guardian

GCSE Science Revision Guides – Year 10

As our Year 10 students are now studying their GCSE Science courses, it is particularly important that they are well prepared for their examinations.

The Science Department can provide the opportunity to purchase the Edexcel GCSE (9-1) revision guides, published by Pearson, at a discounted price. We believe that these guides are particularly well suited to our students because the material is clearly presented and supports the work completed in the lessons.

For students studying the **Combined Science GCSE** course, there is a single revision guide priced **£5.30** available for either higher or foundation tier. Students should ask their Science Teacher if they are unsure which tier they should choose.

For students studying the **Triple Science GCSE** course, there is a revision guide for each of the three subjects for a total price of **£9.54** which are also available for higher or foundation tier.

If you would like to purchase these guides at the discounted rate, they are listed on ParentPay for you to purchase. Please pay by **Friday 8 November 2019**.

If I can be of any further assistance in this matter, please do not hesitate to contact me at the school.

Yours sincerely

Mrs R Taylor
