

Key Stage 3 – YEAR 7 HISTORY
Curriculum Map for Students

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Theme	Knowledge and Focus - Development of Medicine through time Skill Focus – Chronology, change and continuity					
Topic Overview	What is History: Local study	Ancient Medicine	The Middle Ages	The Renaissance	The Industrial Period	The Modern Period
Focus	Students will get to grips with what History is and looking at how Historians investigate the past. This will be done through a study of local history.	Students will investigate how the Egyptians, Greeks and Romans understood medicine. They will focus on how they treated illness, what they thought caused illness and what influenced these ideas.	Students will investigate how things changed once the Romans left Britain. They will focus on life in the middle ages finding out how the treatment of illness and disease changed.	Students will investigate three of the main thinkers of the Renaissance; Harvey, Pare and Vesalius. They will look at the impact their discoveries had and the extent to which medical thinking changed.	Students will understand what life was like in the investigate a series of “medical marvels” from Edward Jenner to Mary Seacole. They will look at their discoveries, judging the impact they had on medical progress.	Students will investigate how events such as WWI and WWII have impacted medical developments. They will also understand how governmental changes led to improvements within the public health treatment.
Assessment	Student assessments will include; extended writing, source question, knowledge test					
	<p>Baseline Test:</p> <p><i>This will assess students on their understanding of a range of key historical skills.</i></p>	<p>Assessment one:</p> <p><i>Give a chronological explanation of the development of medicine in the Ancient World.</i></p> <p><i>Give three things this source tells you about...</i></p> <p>20 Knowledge questions</p>	<p>Assessment two:</p> <p><i>Give a chronological explanation of the development of medicine in the Middle Ages.</i></p> <p><i>Give three things this source tells you about...</i></p> <p>20 Knowledge questions</p>	<p>Assessment three:</p> <p><i>Give a chronological explanation of the development of medicine in the Renaissance.</i></p> <p><i>Give three things this source tells you about...</i></p> <p>20 Knowledge questions</p>	<p>End of year assessment:</p> <p><i>Give a chronological explanation of the development of medicine from the Ancient World to Modern day.</i></p> <p><i>Give three things this source tells you about...</i></p> <p>20 Knowledge questions</p>
