

Year 8 Teams Guidance
Math and English Catch-Up Lessons

Each week a pre-recorded Math and English lesson will be added to your **Year Group Team**. This is named:

English Year 8 (2020-2021)

Math Year 8 (2020-2021)

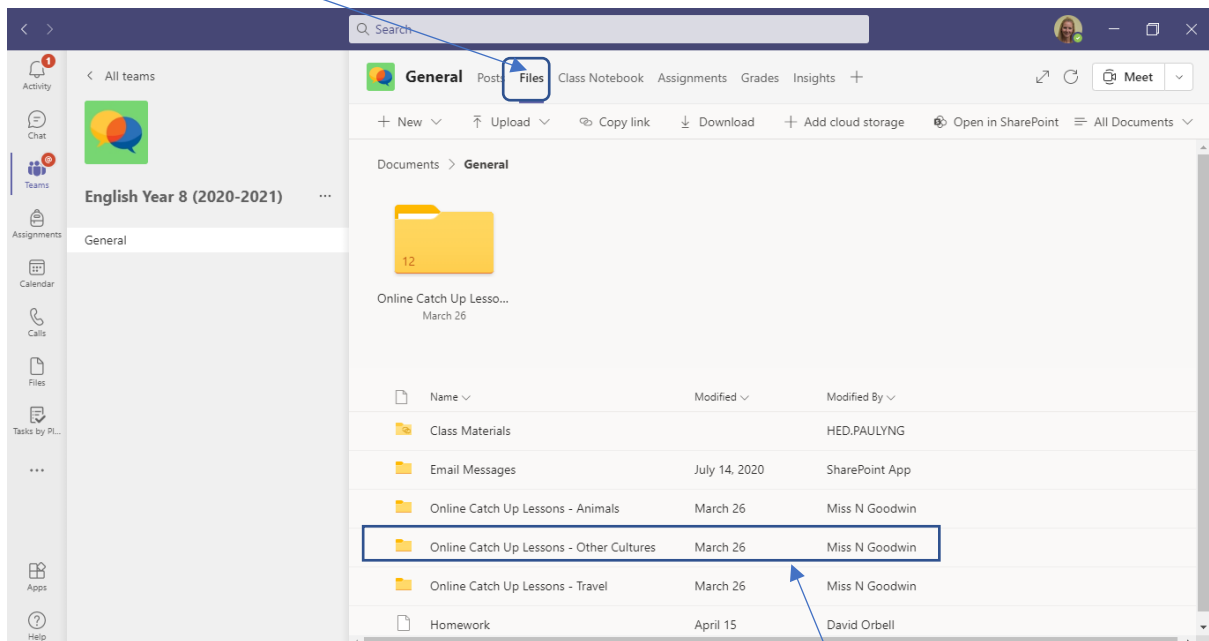

English

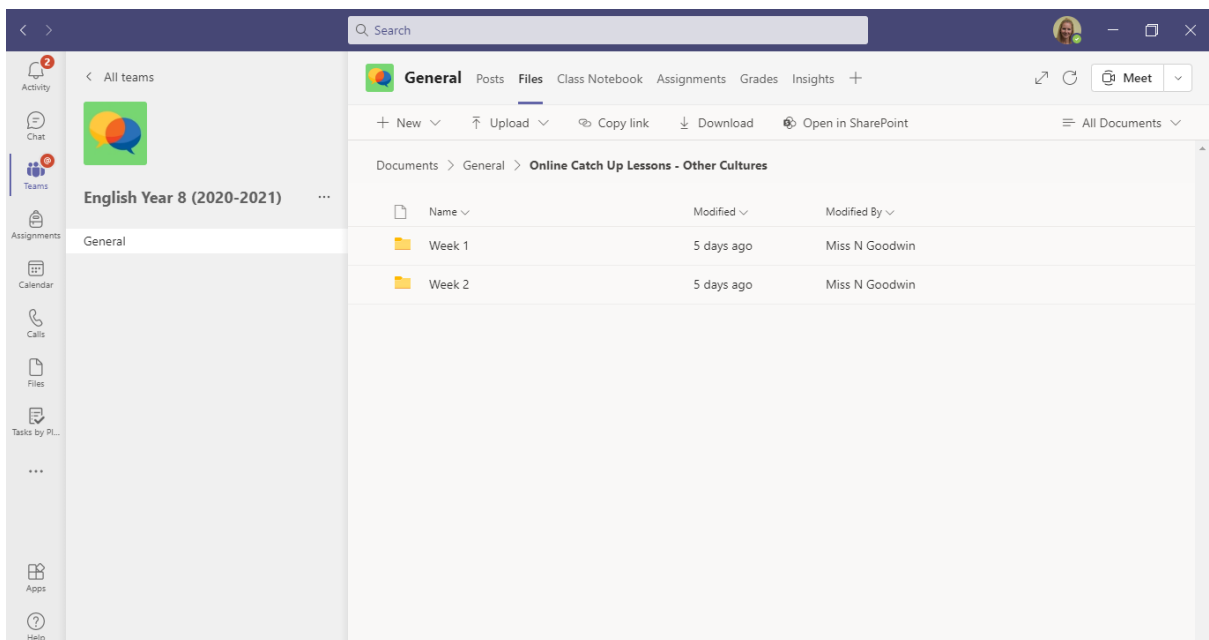

To access the English pre-recorded lesson and resources click on the Year Group Team as seen in the above screen shot.

Within the Year Group Team – English Year 8 (2020-2021) click on the files tab as seen on the screen shot on the next page:

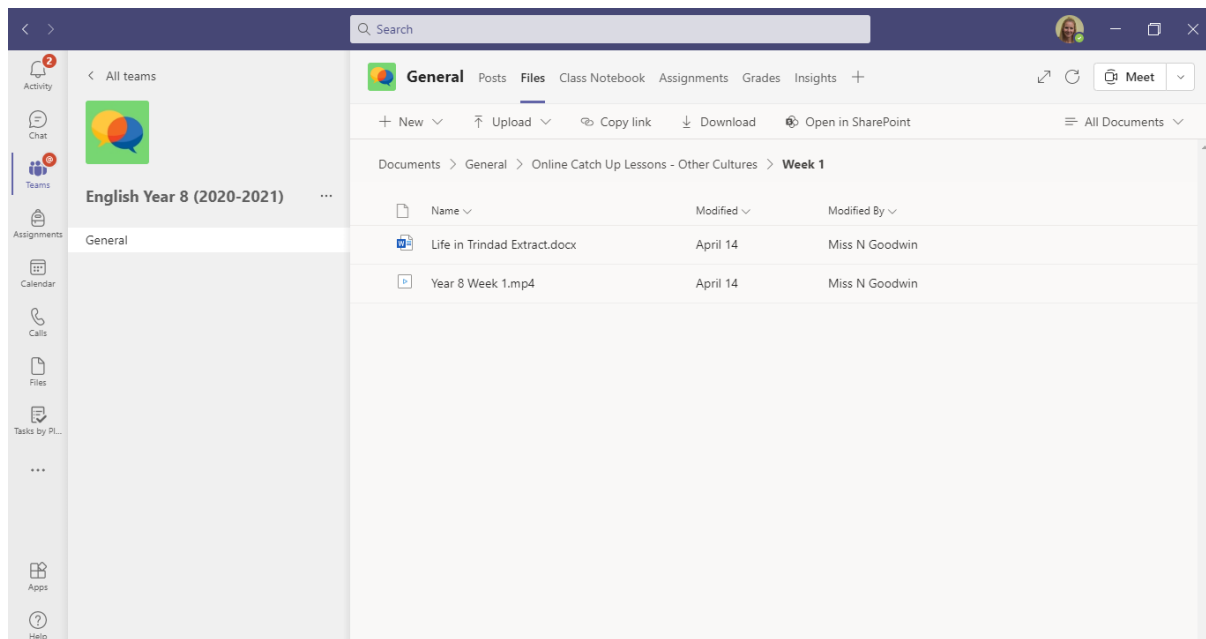

Files tab:

Within the files section click on the **Online Catch Up Lessons – Other Cultures** folder. Within this folder you will be able to access separate folders as seen below containing the pre-recorded lessons and resources:

Week 1 example:

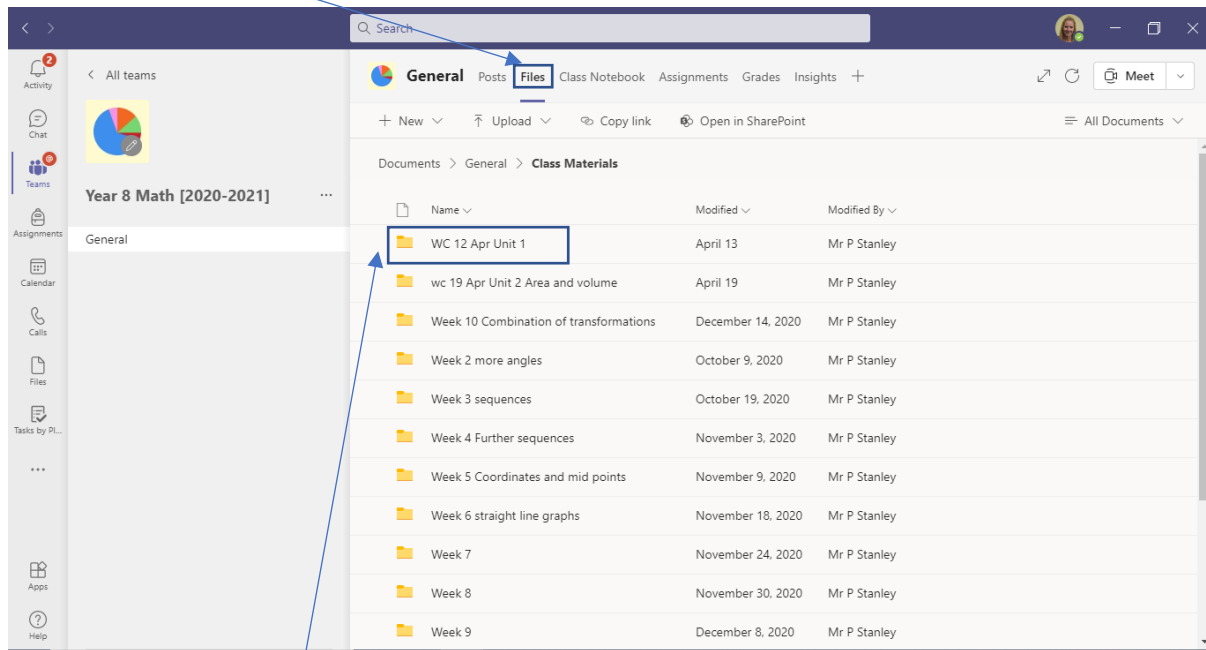

Math

To access the Math pre-recorded lessons and resources click on the Year Group Team as seen in the screen shot on the first page.

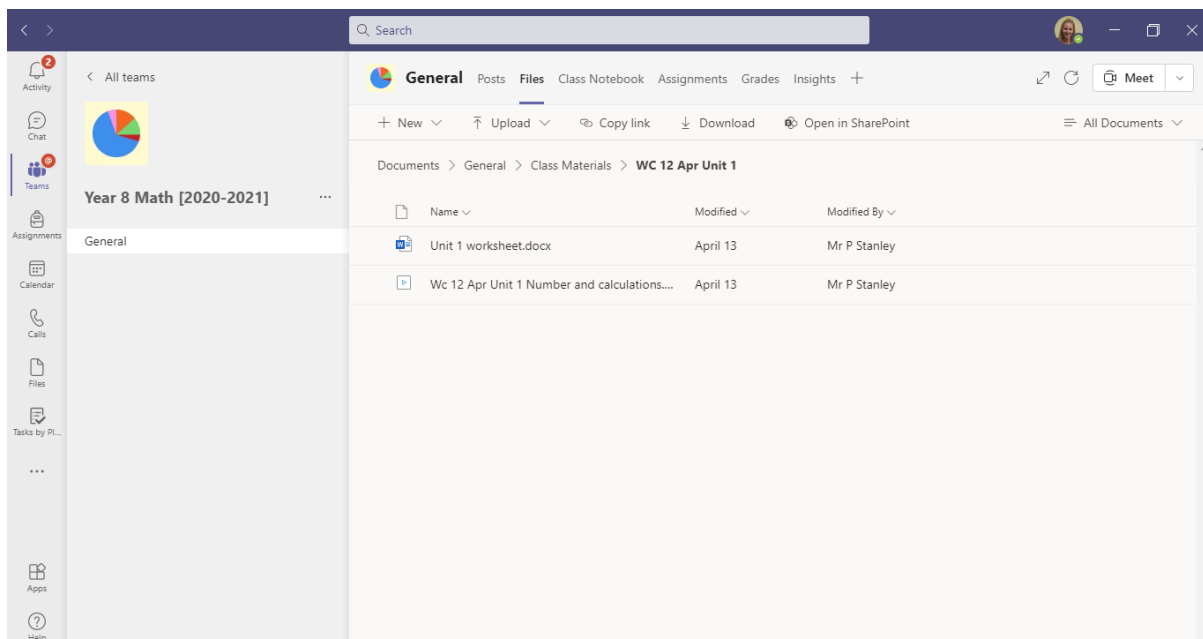

After you are in the Year Group Team – **Maths Year 8 (2020-2021)** click on the files tab as seen in the screen shot on the next page:

Files tab:

Within the files section click on the appropriate folder for the week/topic. For example:

WC 12 April – Unit 1. In this folder you will be able to access the pre-recorded lessons and resources for revision for unit 1:

Answers will also be uploaded in the files sections.
